

Middle School Class 7 and 8 Teachers – Starting September 2018

There are some exciting job opportunities at the Rudolf Steiner School Kings Langley!

From September 2018 we will create a Middle School with our classes 7 and 8.

We are looking for:

- **Two class teachers – one for Class 7 and one for Class 8.**

We are very excited about this new model and are offering two Middle School teacher positions. These new positions will be on a two-year class rotation between classes 7 and 8 and will include a sharing of main lessons and subject lessons between the two Middle School classes according to each teacher's expertise. These will be dynamic and creative roles that will allow teachers to develop and share their particular areas of specialism.

The Middle School Class Teachers will be responsible for one class – either 7 or 8 – between the ages of 12/13 and 14 years. The Class Teachers will have overall responsibility both for the pastoral care of the class and for much of the classroom work, supported in this by the other Class Teachers and the Middle School Subject Teachers.

The Teacher has responsibility to nurture the healthy development of the pupils physical, social and cognitive capacities through teaching Main Lessons, and other lessons not taught by subject teachers, and to provide a balanced curriculum at a pace suitable to the pupils age and development, and according to the principles of education laid down by Rudolf Steiner.
